How the Network works!

Field Medics in conjunction with Field Medics Web Solutions work hand and hand to create a large network of websites that will display your banner. Field Medics Web Solutions creates websites for Companies and Organizations at no cost in return we display your banner at the bottom of their page. So not only are you getting the one million visitors from Field Medics you are now getting all the traffic from these websites too. You get all this for the one low fee. There is no other website that can offer this type of advertising at these rates.

Advertising Package

Field Medics offers a wide variety of advertising packages that will meet any budget. We offer a yearly package and as small as a monthly package, and there is no time commitment to make. The packages place a banner on our list of websites that will be viewed by their visitors. The banner must be 468x60 pixels.

Remember that a banner can be created for you no additional charge.

468x60
